Faith

Throughout the month of January, the girls living and learning with us at Hekima Place had a well deserved break from school. Many of the girls were able to spend some of their holiday break with family members to celebrate Christmas and the New Year but have since returned ready to take on the 2023 school year.

We shared with you that over the last several months of 2022, we had an unprecedented number of girls join the Hekima Place family, many of them under the age of 2. Members of our Board of Trustees jumped into action as they cradled the little ones with all the love and happiness they needed.

As we met the increased need with open arms, we knew we needed more helping hands. Please join us in welcoming Mum Lizie and Mum Ann! They have jumped right in and have been busy with all of the little ones running around.

Did you hear?

Kate and Laura had the opportunity to share Hekima Place's mission with Denise Ann Galloni on her Bethel Park Television show called Empowering You! If you haven't had a chance, visit [Empowering You - Hekima Place](#) to check it out!

Thank you so much Denise for hosting us!

Our School!

After having a condensed 2022 school term due to COVID-19, the students of Hekima Hills Learning Centre finished out the school year strong and had a well deserved break during the month of January.

As we jump into 2023, the new school term will returned to normal. With classes kicking off last Monday, we welcomed 273 prospective students!

Please join us as we pray for our students for a successful year as they continue their educational journeys!

We are so excited to continue to share exciting news and updates throughout 2023 but we want to get to know you a little better!

Send Laura an email at LBright@hekimaplace.org about what you

would love to learn more about throughout
the year! We can't wait to hear from you!
